

Acknowledgments

Our gratitude goes to the editors of the “Biblioteca di Studi di Filologia Moderna” series, Giovanna Siedina, Teresa Spignoli, and Rita Svandrlik. We are also grateful to Marco Meli and Arianna Antonielli, Director and Coordinator of the Open Access Publishing Lab, who literally made it possible for this volume to see the light. Their support and dedication to this project was beyond measure, as was the work of the Open Access Publishing Lab, in particular, Francesca Salvadori. This book also benefited from the work of the anonymous reviewers, who generously dedicated their time to the essays collected here. Last but not least, we would like to thank the Department of Education, Languages, Intercultures, Literatures and Psychology (FORLILPSI), University of Florence, for supporting the project financially, and Fiorenzo Fantaccini – for always beginning again.
